Subject: RE: Toe Drain

Mike,

WJ Rapp will have all rebar and parts they need by Monday for the to complete the toe drain provided there are no major rebar changes from engineering in this next drawing that's coming out today. In the mean time we have the drain blocked off with the inflatable plug until then.

Thanks

J. Kevin Miles

Subject: Toe Drain

Scott,

Just curious where you may be with the revisions from what PGE provided you yesterday? Ray Payne is standing by to review once the drawing has been updated.

Thanks,

Mike Glagola
